

PVC Standard Pressure Transparent Hose

Characteristics

1. Flexible, Light - weight
2. Long lasting. Cold - proof.
Chemical - proof.
3. High quantity of water supply / drain
4. Easy to handle. Easy to connect.

Usage

1. General use of water supply / drain.
2. Agricultural, industrial, construction use.
3. For protecting wire, drainage piping.
4. Transporting chemicals and powders.

Size (inch)	I.D. (mm)	Thickness (mm)	Length (m)	Pressure (Bar)		Weight Kg/ Roll (+/-5%)
