Art. no. **7818**

Wall mounting bracket for pneumatic diaphragm pumps art. nos. 8318 – 8319 – 8320 – 8321.

Art. no. **7819**

Art. no. **7819**

Wall mounting bracket for pneumatic diaphragm pumps art. nos. 8322 – 8323.

Art. no. **6437**

Art. no. **6437**

Electric, self-priming eccentric pump for the suction and the supply of oil, waste oil, antifreeze, diesel at low pressure.

Pump body in aluminium, seals in NBR and pump shaft in brass, 3 m cable with SCHUKO plug. Protection category IP 55.

Art. no.	Voltage	Power	Current drain	Rpm	Outlet pressure	Delivery l/min	Connections	Weight	Dimensions (LxWxH) (mm)
6437	230VAC - 50 Hz	0,52 Kw	7,5 A	1360	1,5 bar	15	1" BSP (F)	8,5 Kg	150x340x210

Art. no. **3424**

Art. no. **3423**

Art. no. **3422**

Art. no. **3422**

Multi-purpose drain pan, in polyethylene, suitable for collecting waste oil, antifreeze or for cleaning parts, capacity 8 l, with anti-splash lip, large handles and pouring spout.

Art. no. **3423**

Multi-purpose drain pan, in polyethylene, suitable for collecting waste oil, antifreeze or for cleaning parts, capacity 16 l, with anti-splash lip, large handles and pouring spout.

Art. no. **3424**

Waste oil and antifreeze drain pan with storage container, in polyethylene, capacity 10 l, with large handle for transportation, hermetically closing plug and drain vent.
